Job Description

Provide routine individualized healthcare such as changing bandages and dressing wounds, and applying topical medications to the elderly, convalescents, or persons with disabilities at the patient's home or in a care facility. Monitor or report changes in health status. May also provide personal care such as bathing, dressing, and grooming of patient.

Responsibilities and Duties:

Maintain records of patient care, condition, progress, or problems to report and discuss observations with supervisor or case manager. Provide patients with help moving in and out of beds, baths, wheelchairs, or automobiles and with dressing and grooming. Care for patients by changing bed linens, washing and ironing laundry, cleaning, or assisting with their personal care to include bathing. Entertain, converse with, or read aloud to patients to keep them mentally healthy and alert. Plan, purchase, prepare, or serve meals to patients or other family members, according to prescribed diets. Check patients' pulse, temperature, and respiration if requested. Provide patients and families with emotional support and instruction in areas such as caring for loved ones, preparing healthy meals, living independently, or adapting to disability or illness. Perform a variety of duties as requested by client, such as obtaining household supplies or running errands. Direct patients in simple prescribed exercises or in the use of braces or artificial limbs. Massage patients or apply preparations or treatments, such as liniment, alcohol rubs, or heat-lamp stimulation. Assist with prescribed oral medications, under the written direction of physician or as directed by home care nurse or aide, and ensure patients take their medicine. Care for elderly who are disabled or who have sick or disabled spouse. Accompany clients to doctors' offices or on other trips outside the home, providing transportation, assistance, and companionship. Job Types: Full-time, Part-time
